### WHAT IS BIMB-ARABESQUE MALAYSIA SHARIAH-ESG EQUITY FUND?

The Fund offers an investment opportunity in Shariah-compliant listed companies in Malaysia that adhere to the United Nations Global Compact principles and are further analysed on their Environmental (E), Social (S) and Governance (G) performance. ESG data provides forward looking information and insights on how a company is managed and the quality of the strategic decisions it takes to position the firm for long term financial success. Furthermore, the Fund offers efficient risk adjusted investment returns with its machine-learning and artificial intelligence (AI) investment process. The investment process analyzes companies on their financial and sustainability performance. It further looks into the quality of accounting reporting of companies. Finally, it leverages the cumulative knowledge of the market by analyzing the views of analysts covering each company.

The Fund is suitable for all type of investors; individual and corporate, local and foreign investors. The Fund's minimum investment is only RM500 and offers the investors different classes of Units in RM, SG Dollar, US Dollar and Euro.

### WHAT THIS FUND CAN OFFER?

1. Systematic, disciplined and rules-based investment process of stock selection driven by artificial intelligence (AI) technology.
2. Easy, convenient and cost-effective access to about 100 stocks of established domestic and global companies with sound and sustainable financial performance.
3. The Fund is rebalanced on a monthly basis while the factors used to derive the portfolio will be determined on yearly basis.
4. Minimal investment of only RM500 to start, to invest up to 100 stocks both domestic and global.
5. The first of its kind in Malaysia, the Fund leverages non-financial information (ESG) in a quantitative manner to deliver sustainable investment performance.
